

# MIRMAR RESIDENT SERVICE/SALES CONSULTANTS

## January 2018

**NOTE:** If you are interested in getting information about these products or services, or would like to host a home party, please contact the consultants directly so they can add your name to their contact lists. Our neighborhood rules do not allow "all neighbor" sales emails using our email listings, as some folks consider this as "spam." But consultants are free to call or hand out flyers to invite neighbors to sales parties or to do group functions.
