

Visionary Leadership

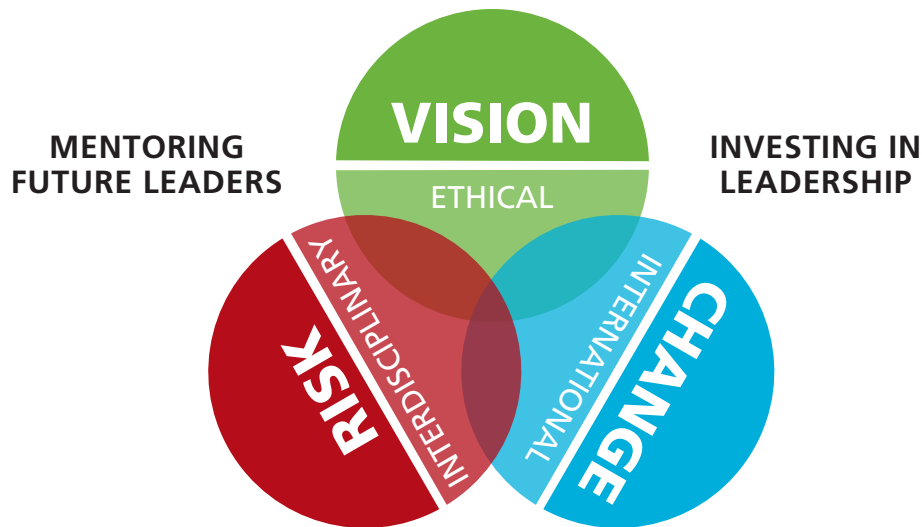

An Ethical & Innovative Approach to Empowerment

Collaborative Educational Programs for the Americas

Consortium of colleges, universities & other institutions

October 18-20, 2012

This year's conference addresses the question of specific ways to improve leadership quality. Participants represent an interdisciplinary group of professionals who embrace vision, risk, and change. These qualities, coupled with the three major components of ethical, interdisciplinary, and international leadership, are key elements for developing independent, innovative and creative thinkers.

Join us for an empowering weekend, featuring:

- Keynote speakers
- Informative sessions
- Poster presentations
- Case studies
- Panel discussions
- Educational & scholastic leaders from around the country
