Addressing the Challenges of Education: Bringing back  
Civil Discussion, Debate and the Conflict of Ideas

**Collaborative Educational Programs for the Americas**  
September 27, 2019, San Antonio, Texas

This year's conference addresses the question of specific ways to improve leadership quality. Participants represent an interdisciplinary group of professionals who embrace vision, risk, and change. These qualities, coupled with the three major components of ethical, interdisciplinary, and international leadership, are key elements for developing independent, innovative and creative thinkers.

### Conference Leadership Activities Include:

- Keynote Speakers
- Informative sessions
- Poster presentations
- Panel discussions
- Networking and mentoring
